LIBRARY COLLABORATIVE studio and label

Library Collaborative (LibCo) is a full service Digital-Media recording studio and record label.

Based out of Pittsburgh, Pennsylvania, LibCo was founded in October of 2016 when a Videographer and Audio Engineer merged to create what is known as Library Collaborative. Shane Johnson and Matthew Seibel quickly grew the company into the vast Multimedia production studio that it is today.

LIBCO HAS AND WILL CONTINUE TO ASSIST AND SUPPORT IN CREATING UNIQUE MUSIC THAT PUSHES FOR ORIGINALITY AND QUALITY. WE NETWORK WITH MUSICIANS, PHOTOGRAPHERS, GRAPHIC DESIGNERS, EDITORS AND OTHER ARTISTS ACROSS ALL GENRES TO PUT THE PROFESSIONAL TOUCHES ON YOUR PROJECT. OUR ARTISTS WORK TOGETHER AT OUR FLAGSHIP LOCATION TO CREATE ORIGINAL MUSIC, EVERY DAY.

We take pride in providing our artist the space and utilities needed to create their art or their projects. Our fully staffed studio features two Audio Engineering studios, an isolation room, live room, Video room, Computer lab and a Design Studio. We also have “Quiet Rooms” that offer a place to rest after an extended creative session. With all of these benefits, we like to think of ourselves as a One-Stop-Shop.

Through innovative thinking and group collaboration, LibCo is poised to be the next big thing in the Pittsburgh music scene.
